SEALS WALLOP

SPOKANE 14 TO 2

CRAMENTO, Cal., April 1.—The Seals pulled an April fool joke on Nick Williams' bunch of aurafa leaguers, wearing Spokane uniforms, by kicking the excelsior out of them.

Score: Seals 14, Spokane 2.
The clubs rambled along for seven innings without any special excitement, but in the eighth Nick Williams inserted a youth named Bloomfield, a brother of "Parson Bill," who used to pitch in the Coast league. Foxy Nick did not say this Bloomfield was a pitcher, but said he would throw for Spokane. He did.

Bloomfield gave the most remarkable exhibition of control in that eighth inning seen on any lot. Every ball he threw either hit the dirt or the bat held by a Seal. At a result the Seals ran themselves ragged. They collected seven blows and scored nine runs in that round.

The Seals boarded a trolley train after the game and started for home, glad that the training trip is over. They will give the new park the once over tomorrow and then tighten up their belts, split on their hands and tackle the Tigers for the opening combat of

Ball Team to Play on
Tuesday.

MARYSVILLE, Cal., April 1.—Nineteen members of the Portland baseball squad departed for Salt Lake today to be ready for the opening game of the 1917 season of the Pacific Coast league next Tuesday afternoon. Manager Walter Henry McCredie banded his Beavers on the train at Marysville, Cal., after they had taken part in a final set to against the Marysville Trolley league. The result was a 1-to-0 set-back for the Oregonians. Three Portland slabsters were used in the ten innings of play, Penner, Brenton and Fincher all coming in for a share of the work. The winning marker was scored when Baldwin, the holdout Tacoma Northwestern league catcher, singled in the tenth frame with a man on third.

Kenneth Penner has been scheduled to twirl the opening game against Salt Lake Tuesday. Today in his three innings against the Trolley leaguers he did not allow them a sign of a hit. Brenton has been announced to work in the Wednesday clash against the Bees.

The personnel of the squad which is on its way to Salt Lake follows: catchers, Gus Fisher and Frank O'Brien; pitchers, Kenneth Penner, Lynn Brenton, Byron Houck, Bill Fincher, George Helfrich, Mark Higbee, Al Zweifel and Herman Schatzlein. Schatzlein is the only southpaw. Infielders Barton Rodgers, Hollocher, Siglin, Stumpf, Pincell, outfielders, Farmer, Willie and Williams.

COBB AND HERZOG
SMOKE PEACE PIPE

DALLAS, April 1.—Trouble between Ty Cobb and Charlie Herzog, which last night threatened to disrupt the series of exhibition baseball games between the New York Nationals and Detroit Tigers, has been settled amicably, and the series will be played as scheduled. Cobb announced last night he would not play in the remaining games of the series, believing he had been treated unfairly in being put out of yesterday's game here. The managers of both teams said such action would make completion of the itinerary impossible.

The trouble started when Cobb spiked Herzog in sliding into second base. The two players began fighting at once. Police stopped the battle and Cobb was ordered out of the game by the umpire.

SETS NEW AMATEUR
SWIM RECORD

OAKLAND, Cal., April 1.—Frances Cowells, San Francisco girl, who is holder of many water records, set three new American amateur marks here today in a 440-yard swimming race in a 25-yard tank. For the full distance Miss Cowells broke her own record of 6 minutes and 59 seconds, cutting the time to 6:44.45; she made 300 yards in 4:34, the best previous record being 4:43.45, made in New York by Miss Claire Gallagher; and was caught at 200 yards at 2:55, also a new record.

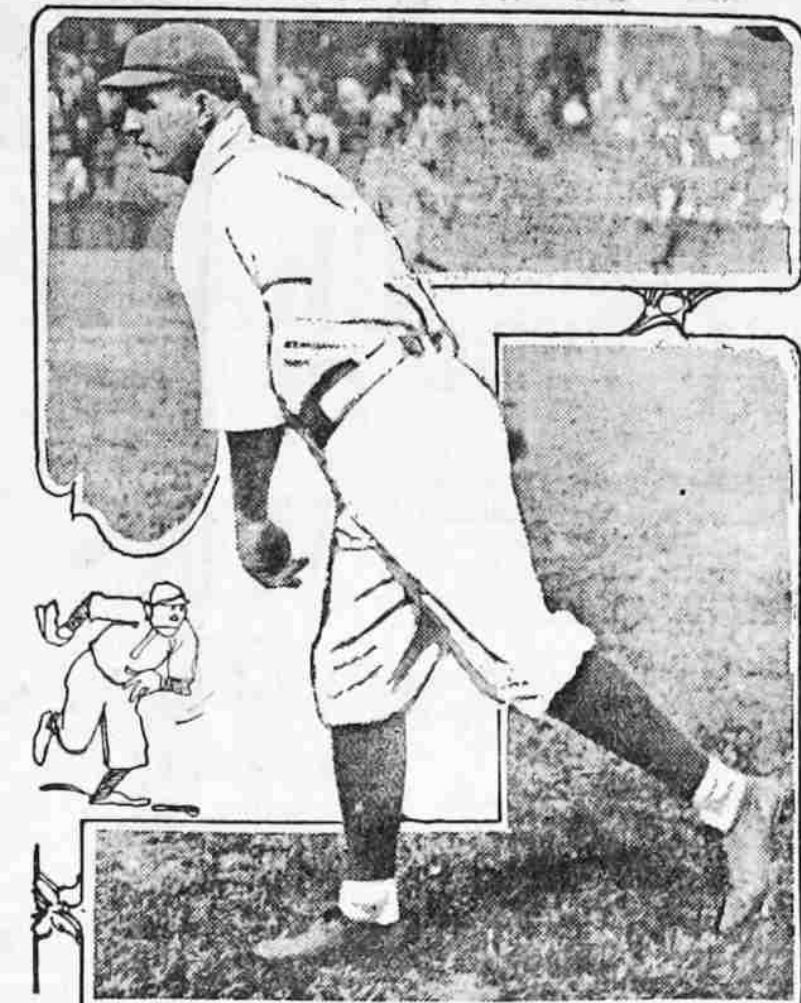

The races were sanctioned by the A. A. U.

Sioux City Leader

Ed Holly.

Ed Holly, the old-time National leaguer, has been picked to manage Sioux City in the Western league this season. Holly was captain of the St. Louis Cardinals in 1907 and later jumped to the Pittsburgh Pirates. He will be a playing manager with Sioux City and will probably hold down the shortstop job. Holly was chosen by the club owners in preference to Bobby Wallace, the St. Louis veteran.

Mitchell is confident that the Cubs will be strong in the pitching department.

PETE VISSER DESIRES ROBERT PROUDFIT IS
TO MEET RIVAL AT
HIS BEST THE CHAMPION
BILLIARDIST

Pete Visser was about town again today, having recovered from his grueling bout with Jack Harbertson. He is seeking a return match with Harbertson at catch weights and with this in view, submitted the following to The Standard:

"Sporting Editor, Standard:
"On behalf of the wrestling fans of Ogden and for the good of the game, I hereby challenge Jack Harbertson for a return match at catch weights."

"In our recent match Mr. Harbertson refused to meet me under any condition only that I meet his weight and make 178 pounds at 3 p. m. The result was shown at the ring, just as Mr. Harbertson had figured. He knew that Pete Visser would be a weakened man at 178 pounds and a different man to wrestle than Pete Visser at his normal weight and in good condition."

"In light-heavyweight and heavy-weight matches, twenty or thirty or even forty pounds is not considered a handicap. Why, then, should Mr. Harbertson be afraid to meet me and wrestle at catch weights when there will be only a few pounds difference. I recently wrestled Strangler Lewis at catch weights and he weighed forty to fifty pounds more than I did; yet the bout was a more even match than my match with Harbertson, simply because both men were at their best and in normal condition."

"The fans of Ogden wish to see the best man win. Why, then, not let both men enter the ring at their best and feeling as they should, and as such this challenge is open to Jack Harbertson."

Yours for good, clean sport.
(Signed.) PETE VISSER.
Heavyweight champion of intermountain states.B. V. U. TRACK
MEN AT WORK

PROVO, April 1.—Although a number of track aspirants at the Brigham Young university have been paddling around the cinders for the past week, Coach Roberts' official call for B. V. U. candidates will not be issued until tomorrow morning. A census of the material available has not been taken, but Howard Blazard, the college's weight man, who also happens to be manager of the track squad, has revealed the information that at least twenty field and track artists will be on hand for the first practice.

Only about half of last year's squad have returned, but among them are several whose ability has already been given the acid test. Orton Durham, the college's star pole vaulter, will again be out for this event. For the sprints the college has three men who should make good. They are Jack Gurr, Glen Simmons and Eugene Stowell. Howard Blazard will again be a standby in the weight events. Clinton Larsen, holder of the state high jump record, will again perform and his work will be seconded by that of Preston McDonald.

All of these old war horses have been relatively idle since the weather has been too disagreeable for outdoor work, and the college gymnasium lacks the facilities for very effective indoor training.

Little is known yet of the abilities of the new men. At the founders' day track meet last autumn, Frank

By winning all of the games in which he played during the Weber club billiard tournament recently concluded, Robert L. Proudfit now holds the title of champion billiardist of the club. In addition to the title, he won a beautiful loving cup finished in gold and silver and placed in competition by President W. H. Wattis. His scores follow: Proudfit 125, J. P. These men should be a big help this year to Coach Roberts and fill the gaps left by some of the athletes who did not return to school.

TENNIS CLUB IS
WELL ORGANIZED

The Ogden Tennis club, which was organized some time ago, is now carrying the plans out. The courts will be put in shape at the earliest opportunity. Contracts for the grading have been let and the work will start next week.

President M. Smith of Browning Brothers has appointed the following committees:

Grounds—Jack Littlefield, chairman; A. Moyes and E. H. Dunaway.

Membership—Nils Eckbo, chairman; Douglas Lewis, Louise Pierce, Inez Adams.

Tournament—Eugene Pratt, chairman; A. H. Cousins.

Mr. Littlefield and Cousins are working on the constitution, which will be submitted at the meeting next week for approval.

The Weber Tennis club of ten members has made application for membership, which brings the total new applications up to twenty-four. These new members, with the original thirty-five, will make one of the best tennis clubs this city has ever had.

A meeting will be held Wednesday to vote on the adoption of a new constitution.

HARBERTSON HAS
COVERED FORFEIT

Responding to the challenge of Charlie Hackenschmidt and the offer of a \$750 purse by the Alhambra Theatre company to the winner of such a match, Jack Harbertson and his new local backer, G. O. Loomis, covered the forfeit money posted for Hackenschmidt.

Harbertson has been eager to meet Hackenschmidt ever since he appeared in Ogden last season in vaudeville and accepted his challenge as soon as he learned of it.

five-round fight in the bull ring here. White's seconds claimed he had broken his hand and threw a towel in the ring. The boys are lightweights and came from Chicago.

CHRIS GEORGE TO
MEET GILBERT

SALT LAKE, April 2.—A ten-gong bout between Chris George and Young Gilbert will be the most appetizing dish served to the Manhattan club fans at the regular weekly show at the Grand theatre tonight. The ten-round feature is an entirely new one on Manhattan club devotees, but is one which will undoubtedly prove to be caviar to their tastes.

Since none of the four or six round tilts between the two local lightweights has ever been able to produce a real winner, Manager Hardy Downing of the club has decided to allow the boys to travel the extra distance and settle the question once and for all.

Both George and Gilbert had their final workout yesterday and reported that they are in the proverbial pink of condition. All of which is to be taken for granted, for neither of the millers is ever out of physical trim.

Another bout on the evening's card which should provide plenty of milling is the eight-round affair between Rex Morris and Jess Oren. Oren is regarded as a sure-nuf comer since he surprised the fans a week ago by wallopping Battling Johnson in a four-gong melee.

Kid Mack and Yankee Allen will exchange wallops in the six-round fracas. Both of the boys are tough millers with a punch in each mitt and should be able to step the distance at top speed.

The regular amateur curtain-raiser will start things off.
